DETAILED ACTION

Claims 17-29 are pending in the instant application.

Amendments

The amendment filed after final on June 12, 2007 has been acknowledged and is entered into the record concurrently with this action.

Previous Claim Rejections - 35 USC § 103

Claims 17-29 were rejected previously under 35 U.S.C. 103(a) as being unpatentable over Refojo et al. (USPN 5,336,487). Applicant has submitted a declaration under 37 CFR 1.132 to overcome the rejection. The declaration has been found to be persuasive in that it properly shows unexpected results since there is a partition between the different phases in the silicone oil purified by SCE rather than unpurified silicone oil. The rejection is withdrawn.

Conclusion

Claims 17-29 are allowed.
